

Worship Lead at Kingship Church

Part-Time Position - average 12 hours a week
Posted: March 9 2024

Vision of Role

Help facilitate and lead the church body of Kingship in worship that is pleasing to God through regular and special gatherings. This role works alongside the overseeing pastor to help implement his vision for equipping the church with **authentic and consistent corporate worship**. We seek someone who will guide others and communicate the joy, honor, and reverence of worshiping God. This role will also help transition the congregation in preparation for Kingship's future growth. The Worship Lead is entrusted to build a thriving worship culture that promotes reflection, exaltation, trusted guidance, transparency and removes hesitation.

Role in the Culture of Kingship Church

The worship lead will maintain and safeguard the church's mission, vision, values and passions; upholding Kingship's Statements of Faith, Positional Statements, and core theology through the expression of worship. The role will lead by example, but the primary goal is to **Equip the Saints for ministry** through empowering others' musical abilities, spiritual giftings, and relational care.

Primary Responsibilities

1. A present Leadership role at Sunday Morning Gatherings and other church-sanctioned events that involve worship.
2. To lead and guide the congregation through meaningful corporate worship that communicates the joy, honor, and reverence of worshiping God.
3. Equipping musicians, singers, and technicians; empowering them to expand their technical skills and understanding of leading corporate worship.

4. Lead regular band practices to ensure preparation and quality; mid-week rehearsals that include a devotional / fellowship component - min. bi-monthly, and weekly Sunday morning touch-up rehearsals.
5. Collaborate with Church Leadership under the guidance of the Overseeing Pastor.
6. Plan, schedule, and lead volunteers in a way that encourages, equips, and empowers them to excel in their responsibilities.
7. Understanding of technical equipment and capabilities for present and future technical needs.

Requirements

1. Healthy relationship and trust in Jesus Christ as Lord and Savior.
2. Proficient musical and technical ability; confidently guiding the church body in a fluent and full expression of worship beyond just leading a musical performance.
3. Exemplify servant leadership “on stage and off”. Demonstrate humility, maturity, teachability, and collaboration.
4. Proficient communication, time management, and mentoring skills.
5. Agrees and adheres to Kingship’s Statements of Faith and Positional Statements.
6. Complete Kingship’s Citizenship Course within the first 3 months.
7. Minimum of 1-3 years of church worship experience in a leadership capacity.

Culture Expectations

1. Personal spiritual growth - involved in personal discipleship and seeking spiritual maturity through God’s Word and servitude towards others.
2. Equipping the Saints for Ministry - Providing meaningful ministry and involvement opportunities in the church. Valuing purposeful delegation and training opportunities while maintaining a standard of excellence.
3. Building a culture of trust and camaraderie with clear communication and expectations.
4. Value the responsibilities given and pursue due diligence, maturity, improvement, and problem solving in the role.
5. Honest and Transparent Leadership - respecting the leadership structure and adhering to the policies and practices of the church
6. Exercising Generosity - Participation in trusting God together with the church body through financial giving, prayer, and giving freely of time, talent, and resources to others.
